Todd K. Miller Awarded Michigan Young Forester of the Year for 2007.

The Michigan Society of American Foresters has announced that Todd K. Miller, Forester with Grossman Forestry Company (Newberry Michigan) is the 2007 Michigan Young Forester of the Year.

The Grossman Forestry Company has been serving family forest owners since 1990. Mr. Miller joined Grossman Forestry Company in 1993 following his graduation from Michigan Technological University. He is a native of the UP having grown up in Cedarville. Mr. Miller has been active in the Society of American Foresters as well as the Association of Consulting Foresters (ACF). His leadership of the Michigan Chapter of the ACF chapter led to recognition as the Chapter of the year.

The Society of American Foresters is the national scientific and educational organization representing the forestry profession in the United States. Founded in 1900 by Gifford Pinchot, it is the largest professional society for foresters in the world. It has over 15,000 members from all employment sectors, nation-wide, and about 450 foresters in Michigan.

For more information about the Michigan Society of American Foresters contact Bill Cook at 906-786-1575 or cookwi@msu.edu or visit the web site at <http://forestry.msu.edu/msaf>

GROSSMAN FORESTRY COMPANY is a privately owned forestry consulting firm that assists Michigan's private landowners with forestry and wildlife management. The company currently employs seven full-time consulting foresters with secretarial support. Working as **agents of the landowner**, we provide the following services based upon the landowner's goals: stewardship plan writing, timber sale administration, forest boundary location, forest and wildlife management plans, timber market analysis, timber/land appraisal, and aerial photograph interpretation (every year we work with hundreds of clients to help them enjoy their properties). Our services are provided throughout Michigan's Eastern Upper & Northern Lower Peninsulas. As consulting foresters, we have an obligation to use our knowledge and provide the best possible service to Michigan's private landowners.
